## ***Congratulations and welcome to CDMC's 22nd annual recital performance!***

*This year's theme, "Reminiscence," has become more meaningful as the season has progressed. Reminiscence" has been a constant reminder of the incredible blessings in our lives - amidst the challenges of recent years, we continue to realize tremendous good, and, personally, I pause repeatedly to reflect on the decades of joy dance and music has brought to my life.*

*This time, two years ago, hundreds of families produced their own at-home recitals where, through technology, we were able to be together with our CDMC family and friends. A year later, we celebrated our children's dance and music accomplishments outdoors at a beautiful farm with ThriveFest. Prior to 2019, we held just shy of 100 performances between the two auditoriums at Caledonia Community Schools. Through it all, we reminisce.*

*Our experiences together create memories that our children will share with their grandchildren – each milestone, new friendship, the fun, the community, the many "firsts." As we gather today, may we indulge in these enjoyable memories.*

*It is my hope and prayer that we have provided your child with love, joy, and inspiration to go out into the world to lead a purposeful life – to make their mark! We hope that you have rooted fond memories that will last a lifetime; moments that you'll reminisce about for all that is to come.*

*With all the glory to God, gratitude to my beautiful children and husband, special thanks to our mighty Dream Team, and thankfulness for your ongoing support, it is my honor and privilege to present to you On Stage 2022! Enjoy the Show!*

*Monique Rodríguez*
